Terminal Disclaimer;

The terminal part of the statutory term of any patent granted on the present application identified above, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 of United States Patent No. 6,651,702, as presently shortened by any terminal disclaimer, is hereby disclaimed, except as provided below, and it is agreed that any patent so granted on the present application shall be enforceable only for, and during, such period that the legal title to the patent granted on the present application shall be the same as the legal title to the specified patent, this agreement to run with any patent granted on the present application and to be binding upon the grantee, its successors, and assigns.

In making the above disclaimer, applicant does not disclaim the terminal part of any patent granted on the present application that would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the patent specified herein in the event that the latter patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or is terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued in any matter, or is terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title identified above.
